## COMPANY PROFILE

Il marchio ALBERTA da trent'anni rappresenta garanzia di qualità nella progettazione e nella produzione di divani e poltrone. L'azienda opera nel trevigiano, nord-est Italia, dal cui sostrato culturale ha attinto sia la tradizione artigiana sia l'attitudine alla creatività ed al design. Nel corso della sua storia ha sviluppato nei diversi stabilimenti linee di imbottiti sempre rispondenti all'evoluzione del gusto nelle due divisioni base che raggruppano le collezioni in tessuto e quelle in pelle. L'esperienza nell'impiego di entrambi i materiali consente ad Alberta di essere altamente propositiva. L'obiettivo dell'azienda è offrire soluzioni originali di ottimo livello estetico, pratico e qualitativo nel rispetto dei principi dell'etica ambientale.

*For thirty years the ALBERTA brand has been recognised as a guarantee of quality in the design and production of sofas and armchairs. The company is headquartered in the Province of Treviso in the north east of Italy and has taken both its tradition of fine craftwork and its passion for creativity and design from this stimulating and active land. In order to meet the needs of ever-changing tastes the company has developed and now manufactures an extensive range of products based on two basic divisions, their textile and leather furniture collections. The experience they have gained working with these materials enables Alberta to be proactive and continually develop new solutions.
