# ... sulle ali della creatività

**Amiamo** sognare di essere **farfalle** che dispiegano le ali e sorvolano paesaggi di grande respiro e desideriamo tagliare il filo che ci ancora alla terra.

Non abbiamo ali ma abbiamo **fantasia, intuizione e immaginazione**. Saranno loro che ci porteranno in alto verso un futuro migliore.

... on wings of creativity

**We like** dreaming of being **butterflies** which open their wings and fly over landscape of wide breath and we wish to cut off the thread which anchor us to earth.

We don't have wings, but **creativity, intuition and imagination**. They'll bring us up, towards a better future.
