COM.PAR è impegnata, dal 1984, a creare e definire una gamma di prodotti per la casa e gli spazi collettivi, caratterizzati da un proprio e riconoscibile design contemporaneo. L'alta affidabilità e la qualità, garantite dalla certificazione ISO 9001, particolarizzano una ricerca progettuale strutturata su processi mirati a tutelare e valorizzare prodotti totalmente Made in Italy. L'attenzione specifica del brand COM.PAR alla costruzione di una propria identità di prodotto, è condizione di primaria importanza nel panorama europeo ed internazionale. Un'identità che si fonda sempre più sulla scelta di materiali e lavorazioni sostenibili e si esprime attraverso un gusto ricercato ma lineare, proponendo oggetti che vogliono essere un ponte tra l'esperienza e le nuove tecnologie produttive, un dialogo tra la memoria del design e le diverse future tendenze di stile. La raccolta di oggetti d'arredo qui illustrata è un nuovo punto di arrivo per la nostra équipe, nell'intento di dare un preciso strumento di lavoro e risposte sempre più puntuali ai nostri preziosi partners commerciali.

COM.PAR have been active since 1984 to create and define a range of household and collective-spaces products, characterized by an easily recognizable contemporary design of their own. Their high reliability and quality, assured by ISO 9001 certification, are peculiar of a design research structured on processes aiming at safeguarding and exploiting products totally "Made in Italy" . The specific focus of COM.PAR brand on the building up of a product identity of its own is a condition of primary importance in the European and International context. An identity that relies more and more on the choice of sustainable materials and treatments and finds its expression in a refined but straightforward taste, while proposing objects intended to be a bridge between experience and new production technologies, a dialogue between the memory of design and the different future trends of style. The collection of furniture objects hereby illustrated is a new starting point for our team, aiming at providing our valuable commercial partners with a precise work instrument and more and more punctual answers.
