LINEE ARMONICHE

/ HARMONIOUS LINES
/ LÍNEAS ARMÓNICAS

/ Memory has a wooden structure that is beautified by the curved lines of the headboard that are picked up by the curves of the feet.

These rounded lines add refinement to the shapes of this bed, making its proportions extremely light and harmonious.

Memory ha una struttura in essenza "aggraziata" dalle linee curve della testata, "armoniosa" gracias las líneas curvas del cabeza, retomadas en el diseño redondeado de la pata. Son precisamente estas curvas del piede. Sono proprio queste rotondità che ne ingentiliscono le

forme e rendono le sue proporzioni estremamente leggere e armoniche.
